

# ProLite PB1704S-1

The latest 17" display from iiyama contains the usual impressive specifications and features that the Business user expects, but is now also loaded with extras. New on this model is Toughened Safety Glass, that provides 8H hardness capable of withstanding major impacts and is ideal for Industrial, Retail and Educational applications and height adjustability that is integrated into the base with an adjustment range of 110mm. The core features still include 5ms response time, 1000:1 contrast ratio and a 1.3 mega-pixel native resolution for impressive colour reproduction. The ProLite PB1704S is available in Black and has one D-Sub and one DVI input.

Panel	TN + protective glass
Diagonal	17"
Glass thickness	3 mm
